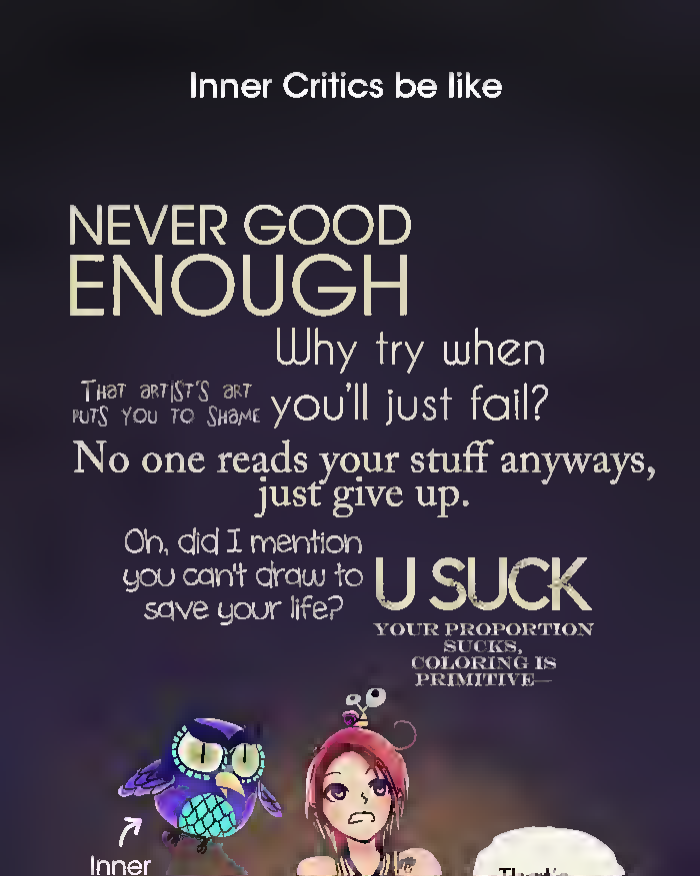
Inner Critics be like



NEVER GOOD ENOUGH
Why try when you'll just fail?
That artist's art puts you to shame
No one reads your stuff anyways, just give up.
Oh, did I mention you can't draw to save your life?
U SUCK
YOUR PROPORTION SUCKS, COLORING IS PRIMITIVE
Inner

So, shut up, vanish and let me draw
Snailed
Solid argument What an annoying chirpy personality
Meh, too bad nothing you can do about that face of yours thou
DAMN, BRO Right in the self-esteem

*son

Yes, I do feel minuscule after looking at other artists' works. In the end though, I draw for my own amusement, even if I 'suck' (which I don't), I won't stop drawing.

The day I no longer laugh at my old works, would be a grievous day. It signifies that my progress has ceased.

Artists improve until the day we die. So, shut up and draw.

SNAILORDS

Minuscule: extremely small, tiny
Adamant: refusing to be persuaded or to change one's mind
Impeccable: Faultless, perfect, exemplary, flawless. Etc.

LINE Webtoon

breathtaking, yet not as inspiring as the allure of a melody striving towards perfection.

Flawed, sprinkled by glimpses of perfection, adamantly defying defeat

That's exactly what I am.

An incomplete melody striving towards perfection

Potential for growth, that's exciting

Critic
representative

That's...

Grailed IT!

Exciting.

Sucka said woot*?

Snaiogy
fantasies inspired by
REALITY

Ever listened to a musician struggling to get his notes right?
He's good, but not quite *there* yet.
what*
Yet he keeps trying. There's something magnetizing about an imperfect song
The drive, the passion, promises to improve
Yes, an impeccable performance is
